Established 1934

## GeoWeek 2014 Food Geographies Photo Competition

**This year GeoWeek is focused around the geographies of food and the key themes are:**

- A. Food Growing
- B. Spaces of Food Exchange
- C. Food Waste
- D. Food Security

As part of Geoweeek the Geography Society of Ireland are running a photography competition

How to enter:

1. Take photos that clearly demonstrate one of the themes above
2. Decide on a caption
3. Upload to the GSI website

For more details go to <http://www.geographicalsocietyireland.ie/>

**All Photo's entered will be featured on the GSI website with prizes awarded for the best three entries.**
